"THE GOOD ONE"

The Brightest Sunshine

Could not make Clothes whiter, cleaner or sweeter than those washed by our patented

ELECTRIC PROCESS

without the use of Chloride of Lime or other ruinous bleaches.

The water in which the clothes are washed is charged with an electric current, thus supplying the very elements used by nature when you hang your clothes in the outdoor sunshine.

THE NATIONAL LAUNDRY AND CLEANING COMPANY

Is the only Laundry in Summit County using this remarkable process, enabling it to positively guarantee sterilization, deodorization, colors not to run or fade, and the life of the linen to be greatly prolonged.

Call at the plants and let us demonstrate the merits of this wonderful fabric-saving discovery to you personally or if this is not convenient, phone

BELL MAIN 2865 OHIO STATE 1414

and we will see that one of our representatives calls and explains its merits to you.
